

From the IIMHL and IIDL Update List

**Leadership for Mental Health Saves Lives:
Preventing Suicide on the Golden Gate Bridge
Special Update - 13 April 2017**

The Golden Gate Bridge is identified as the scene of the most suicides in the world. On April 13th there will be a ceremony in San Francisco to launch the building of a net to prevent suicides from occurring on the bridge.

Excellent leadership has led this effort.

You can view a video where Eduardo Vega explains how this leadership has impacted the decision to move toward a prevention of suicide on this world famous landmark.
